Dear City of Miami Gardens/Council Seat 3 Resident:

Re: Temporary Appointment for City of Miami Gardens' Council Seat 3

Let me join with the rest of the Miami Gardens' community, in offering my sincere expressions of condolence on the passing of Councilwoman Audrey J. King, who served as your City Council district representative from July 2003 until her recent passing. Our thoughts and prayers continue to be with her family, as we support them during this time of sorrow.

Per the City of Miami Gardens' Charter, I am required to appoint a successor (subject to the approval of the City Council) within 30 days of her passing. This person will temporarily serve until the next City Election, scheduled for November 2006.

I have provided a brief outline of the requirements for this position on the reverse side of this letter. If you or someone you know is interested in being considered, please review this information and submit the necessary materials by 12:00 noon on October 19, 2005. This will allow me to provide the City Council with a recommendation for deliberation at the October 26, 2005 meeting. If you have any questions about eligibility requirements, please contact Ms. Ronetta Taylor, City Clerk, at 305 622-8003 or at rtaylor@miamigardens-fl.gov.

Sincerely,

Shirley Gibson,
Mayor
